

Welcome TO THE PALOUSE!

ONE OF THE BEST KEPT SECRETS OF THE PACIFIC NORTHWEST

With two large university campuses nearby, it is no surprise that our communities promote academic excellence and active learning for all ages. Residents and area guests can always depend on a wide variety of engaging cultural, athletic, campus and community events to enjoy. When it comes to recreation and entertainment, we can honestly say that there is something available for every interest. Come experience the unique energy that makes life in the Palouse feel "more urban than rural" and provides us with the very best of both worlds!

CONSIDER AN EXCITING CAREER AT PALOUSE MEDICAL

Located in Pullman, Washington, our clinic provides care for a large and diverse patient population. As a multi-specialty clinic, we offer comprehensive primary and specialty care services that span across the fields of internal and family medicine. Palouse Medical is dedicated to providing every patient with the highest quality healthcare available.

MENTOR, PRECEPT & TEACH FUTURE GENERATIONS OF HEALTHCARE PROVIDERS

Our provider team enjoys participating in the education of students pursuing careers in healthcare. All of our physicians are certified faculty members of The University of Washington's School of Medicine (UWSOM). Our clinic works with students throughout all stages of medical school education, including: Pre-Med, TRUST, WWAMI, Externships and 3rd Year Clerkships. In 2014, we were designated as a 22 week long WRITE site experience for qualifying students.

WE NEVER LOSE SIGHT OF THE REASON WE PRACTICE MEDICINE!
